

Solid Foundation Group History

In 1993, four residents of Hazelton, Allen, Scott, Aaron and Kim H., felt that the needs of addicts, especially the newcomer, were not being met. They sought the advice of more experienced members of Narcotics Anonymous to see how to help the still sick and suffering. Following the suggestions given to them, the group 'Welcome to the Club' was born in November. Allen and Scott served as the first chairpersons of the group, Kim was secretary and Aaron was GSR. With the help of Jaime H. and JB, the group started to grow.

In a few short months, most of the trusted servant positions were filled. As the members started to learn more of the Steps and Traditions, they realized that the name of the group was in violation of the 6th Tradition. Since the meeting was held at the Hazelton Fellowship Club, and the group was 'Welcome to the Club', they had to change the name. In 1994, the group, since it is a beginners' meeting, decided upon the name 'Solid Foundation'.

This meeting has had a strong following and many trusted servants. In adhering to the Traditions, and keeping the newcomer first, the group will continue to flourish.
